

## ***DIRECTIONS FROM CAPE TOWN INTERNATIONAL AIRPORT***

### ***TO twentytwo***

- Leave airport car park and follow **N2** signposting to **CAPE TOWN/KAAPSTAD**
- Continue on this motorway for 10-15 minutes heading towards the mountain, which will be right in front.
- As you get closer to the mountain, the road rises quite steeply with a major hospital complex on the right called **Groot Schuur**. Keep in the **MIDDLE LANE** and as you go under the flyover the road banks steeply to the right.
- Another motorway merges from the left.
- When safe to do so, get into the left hand lane and follow the signs for **DE WAAL DRIVE** and **CABLEWAY**.
- This brings you along side of the mountain (on your left) and Cape Town city centre/harbour on your right.
- As the road descends, take the next left turn off **AFTER** the sign post to **VREDEHOEK** and the two churches on the left but **BEFORE** going under the flyover. (**Road sign reads: M3 (M62) Cableway**)
- Once you've joined **DE WAAL DRIVE**, look for a tower block marked **GARDENS SHOPPING CENTRE** on your left.
- Continue past the shopping centre to the large crossroads keeping in the **left hand lane**, where there is a petrol station on the right called **ENGEN**.
- Turn left at the crossroads into **HATFIELD STREET** (M96 Oranjezicht)
- Going up the hill, (**UPPER ORANGE STREET**) you will pass **CAMP STREET** (on the right); **ALEXANDRA** and **BELMONT** (on the right). The next turning on the right, at **CARLUCCI'S DELI**, is **MONTROSE AVENUE**.
- **22 Montrose Avenue** is situated at the top of the hill on the right hand side (opposite **RUTLAND LODGE**) and before the cross street - **FOREST ROAD**.
- **Please** ensure that you park, directly **outside No 22** - **NOT No 20** - and in the direction of the traffic - it's a SA by-law! **Also please note that the kerbs are high so mind your wheel hubs and car doors.**
- When you've arrived, please do **NOT** park directly outside No 20. **Thank you.**
